

Set for adjusting the sprayhood/bimini

OH Marine Equipment has made a set for adjusting the sprayhood/bimini.

The set consists of:

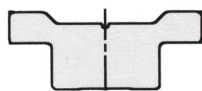

- 2 slides for adjustment
- 2 tracks (25 mm), 1 m
- 4 end caps (delrin)

The slides are made of stainless steel with a stop and swivel that can turn 360°.

Article no. 830050 - Set for adjusting the sprayhood/bimini

As standard the set is made with 1 m tracks natural (silver) anodised, but is also available in black and with lengths of up to 6 m.

Track 25 mm
(Actual size)

Article No.	Type	Length m	Weight g	Track mm
03330	Track	1.0	400	25
03331	Track	1.5	600	25
03332	Track	2.0	800	25
03333	Track	2.5	1000	25
03334	Track	3.0	1200	25
03335	Track	4.0	1600	25
03336	Track	5.0	2000	25
03337	Track	6.0	2400	25
